

HAMILTON ISLAND

Factsheet

HAMILTON ISLAND
GREAT BARRIER REEF AUSTRALIA

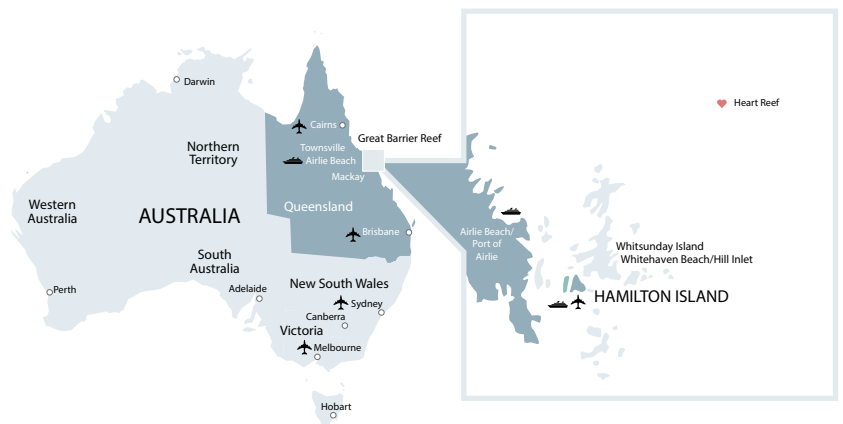

WHY CHOOSE HAMILTON ISLAND?

Direct and easy access / In the heart of the Great Barrier Reef / Year-round tropical climate / Wide

LOCATION AND ACCESS

Hamilton Island is perfectly located just off the Queensland coast of Australia and in the heart of the Great Barrier Reef. Of the 74 Whitsunday Islands, it is the largest inhabited island, measuring 4.5km from north to south and 3km from east to west, and positioned approximately 887km north of Brisbane and 512km south of Cairns (by air).

The only island in the Great Barrier Reef with its own commercial airport, access to Hamilton Island (airport code: HTI) is easy with short, direct flights from Sydney (2 hours), Melbourne (3 hours), Brisbane (90 minutes) and Cairns (70 minutes), plus good connections from other Australian cities. There are also quick 1 hour direct boat transfers from Port of Airlie on the mainland.
